EMPLOYMENT OPPORTUNITIES

A Brother is seeking to fill two posts at his company. The company is based in West Surrey and is a pioneering business developing analytical instruments for customers in the energy, security and defence industries. They seek an experienced electrical & electronic engineer for design and development work.

The successful candidate will have extensive experience of designing and developing electronic hardware, analogue and HF circuits.

They also seek an electronic & electrical test engineer for testing and debugging operations.

The successful candidate will have at least 5 years industrial experience, be able to work under pressure to deadlines and have a positive attitude to problem solving.
