

New Year, New Brother

Middlesbrough Circle's New Year got off to a flying start with the enrolment of Jamie Brown in January. Jamie, a local solicitor, is one of four enrolments in the last nine months. With three more gentlemen currently 'observing', this could be one of the best recruitment years in Middlesbrough's proud 94 year history.

There's No Holding David Back

Dover Cinque Port's membership rose by one at the January meeting, when it welcomed David Evans into the Circle. David had shown great interest over the months and there was no holding him back.

Here he is being presented with a commemorative certificate from President Gordon Goodacre with Provincial Membership Officer Paul Sleightholme, left, and Steve Atmore, Circle Membership Officer, right.

Two for City of Bristol

At their January meeting City of Bristol Circle welcomed Peter McLean and Roger Cockhill as they were formerly enrolled by Circle President Peter Davidson.

Plymouth Welcome Simon and Tony

An ever growing Plymouth Circle welcomed two new brothers with the enrolment of Simon Pope and Tony Corrigan. Circle President Graham Johnson wished them a long and happy membership. Their enrolment coincided with the Circle's "Bring a friend evening". Previous such "Guest" evenings have proved an effective way (one of many) of introducing gentlemen to the Association.
